YOU NAME IT, WE'VE GOT IT!

## 3RD-PARTY INTEGRATIONS

- DIGIFORT VMS
- LENSEC Perspective VMS
- SPLAN visitor management
- DOOR-TABLET workplace and signage
- BLUE WIRE workplace and signage
- Smart ELEVATORS

OPEN APPROACH

# INTEGRATE QUICKLY AND EASILY

The screenshot displays an API documentation interface with the following sections:

- Auth**
  - POST /api/login: Login method that will provide JWT (JSON Web Token) token
  - GET /api/challenge-windows: Challenge windows authentication
  - POST /api/refresh-token: Retrieve new token using refresh token
  - GET /api/providers
  - GET /api/Test
  - POST /api/logout: Logout
- Claim**
  - GET /api/claims: Get claims
- Operator**
  - POST /api/operators: Create system operator account
  - PUT /api/operators: Create system operator account
  - GET /api/operators: Get operators

Below the endpoints, there is a "Parameters" section with a "Try it out" button and a "Responses" section with a table:

Code	Description	Links
200	Success	No links

- REST API, open to partners
- Every single function available
- SignalR event broadcast
- MQTT protocol support
- Active Directory integration

A POWERFUL COMBO

# CREDO ID BENEFITS

## FOR INTEGRATORS

- Time savings on deployment
- Simple maintenance
- "Core layer" to other systems
- RMR business model
- Improved profitability

## FOR END-USERS

- Future-proof solution
- Quick operator training
- Security and accountability
- User convenience
- Attractive TCO

HOW WE SELL

# VALUE-ADDED PARTNERSHIPS

## **SALES CHANNEL:**

- Integrators / VARs only
- Software and hardware packages
- Design phase preferred
- Feature / integration development possible
- Project protection for registering partner

FOR LONG-TERM SUCCESS

# SALES SUPPORT

## **TRAININGS**

- Remote or on-premise
- Free once a year
- 1+1 day
- Certification available

## **PRE-SALES**

- Project consulting
- BoQ assistance
- Customer visits / interviews
- Roadmap sharing

## **AFTER-SALES**

- 12 months of updates included
- Loyalty discounts for updates
- Support is paid, PAYG and monthly packages available
